Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB967

My name is Carly Colgan, and I am the CEO of Bend-Redmond Habitat for Humanity. I am writing in support of SB 967, which will allow cities and counties to collaborate on Local Improvement Districts (LIDs) in unincorporated Urban Growth Boundary areas to fund critical infrastructure for housing development. High infrastructure costs remain one of the biggest barriers to development, delaying the housing and economic growth our communities desperately need. We urge you to support SB 967 to ensure communities have the tools necessary to build infrastructure efficiently and keep Oregon's housing production on track.
