

Submitter:

LESLIE ROY

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB949

We desperately need measures like this to help alleviate the housing crisis here in the Portland area. Oregon is experiencing a housing emergency that disproportionately impacts underserved communities and vulnerable community members. North and Northeast Portland residents are finding it hard to secure affordable housing due to gentrification.

I strongly support the increased housing production for people who are at risk of homelessness or displacement. I specifically appreciate the integration of community services, so these individuals and families are being supported in more ways.
