

Submitter: Mark Morgan

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Illegal camping is a huge problem that this bill will make much worse, and not even come close to fixing. We need better services and designated camping areas within City limits, NOT unrestricted camping. I'm personally sick of the garbage, crime, and unsanitary conditions that unrestricted camping allows. Those of us who actually contribute to the tax base demand to be heard.
