Committee: Senate Committee On Housing and Development  
Measure: SB1537

Dear Senate Committee on Housing and Development:

I support the Governor's Housing Bill - SB1537 (2024). This bill would improve entitlement processes, reduce building permit timelines and allow much needed land supply in cities that are in need of a limited UGB expansion while ensuring that 30% of the homes built will be affordable. I ask for your YES vote on SB1537.
