Measure, Appointment or Topic: HB3921

I live in Charter Oaks and strongly oppose HB3921. There are many reasons to oppose this bill, but safety of the residents is foremost. With Troost being the only road in and out , the addition of hundreds of vehicles associated with the proposed housing would create a huge safety issue. The intersection of Troost and Charter Oaks is already extremely unsafe. Were an accident or any natural disaster to happen that blocked the road, emergency vehicles would be unable to respond. I urge you to "not" pass this bill.

Thank You
