On Behalf Of: Mr Oregon OPPOSES SB 967  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB967

I OPPOSE [SB 967].

The taxpayers (local residents) will be systematically screwed by [SB 967].

Their sewage treatment, public works and related infrastructures costs will be spread out to taxpayers but if [SB 967] fails such financial hardships will be thwarted.

The profiteers of [SB 967] are Politicians, Realtors, Builders and the accursed Non-profits and Public Benefit Corporations.

[SB 967] is a government subsidy where the majority of taxpayers so affected will be sold down the river.

[SB 967] although does not mention any threat to Land Use Laws, rest assured many a UGB will be expanded to support the building and development bonanza.

David S. Wall  
Mr. Oregon Concurs and says, "Where is the water and electrical power going to come from to support [SB 967]?"
