

Submitter: Jackson Miller

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

For too long law enforcement has acted to effectively enclose public land from common use, especially use by down-on-their-luck Oregonians. While this bill is no public housing guarantee or major zoning reform, it does seem like it will ensure certain rights of homeless individuals and as such represents an important step in the right direction. Enshrine the right to rest in state law!
