I am a senior citizen who is already struggling with all the increase cost of living.
I moved here in 2011 when rent was only \$700.00 which included our water and sewage.

I am now paying over \$1250 a month.

The continual increase in the space rent is forcing many people here in my park to choose between rent and food.

Please do something to put a cap on the rent increases to match our SSI raises.
