

Submitter: Jenny Moody

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

I have been a landlord since 2006 when I decided to rent my house out and move in with my new husband. We now own two rental properties now with three doors. We are a typical small landlord and we feel like this bill would be a problem and a challenge for the little landlords like us. Thanks for your time,  
Jenny Moody
