Measure, Appointment or Topic: SB668

Legislators, please take care of Oregon's military veterans and their spouses in any way possible but especially when it comes to encouraging them to succeed in the work/employment field which will also help in decreasing war vet suicide rates and divorce rates. Support our military men and women and their success off the battlefield and support this measure and see it through!! If I may make a suggestion on what to add to this bill in a work session, please make it all veterans with any disability rating or better yet any and all veterans regardless of a disability rating and their spouses, Thank you.

Sincerely,  
Chad Kernutt
