

Submitter: Rita Gonzales  
On Behalf Of: Oxford House  
Committee: House Committee On Behavioral Health and Health Care  
Measure, Appointment or Topic: HB2239

My name is Rita Gonzales

I am secretary of chapter 17 Roseburg, OR and I live in Carlisle Oxford house.

I am opposed to Bill HB2239.

I believe that the certification process and standards of OHI should be held on equal footing as the NARR certification.
