Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

I live in Lincoln City, the corporation that owns this park does nothing to upkeep the park loose concrete a resident fell and injured her face so badly her hospital stay was for weeks another fell and stayed on the cold wet ground until the ambulance came to take him to hospital, the exterior lights need new bulbs never replaced have called to request and they never respond and if they do return your call so rude and intimidating almost bullying I get so upset, I mean light bulbs really come on but they keep wanting to increase rents, I have diabetes and have to decide to either buy food or medicine I am a senior citizen I should not have to choose I worry all the time can't sleep it's so unfair how can they get away with this I feel like I live in a third world country come on I have worked all my life, I am a good person cancer survivor x 2 my car is 12 years old I feel invisible and unheard, and doomed grateful I have a roof over my head so grateful my home is over 50 years but it is home how can you let these cooperations get away with this my goodness would you let your grandma go thru this I don't have many years left I want to enjoy my dog live my humble life without being bullied and spoken to with disrespect so unfair thank you for your time Teresa hicks
