

Submitter: Richard Hobbie  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or SB78  
Topic:

I have a friend that lost his home in the Camp Fire Paradise CA. It took him 3 years to place a pre-manufactured home on his lot and move back in. Paradise is slowly being rebuilt but it may take 20 years or more to rebuild all the homes lost. These folks are having a hard enough time rebuilding their community, please don't place restrictions on fire devastated areas. Visit one of these communities and talk to the local people before you vote.
