

Submitter: Kim McCarty
On Behalf Of: Youth needing housing
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3970

Hello Chair Bowman and Members of the House Committee on Rules,
I am contacting you in my role as Executive Director of the Community Alliance of
Tenants. I urge you to support HB 3970. Our goal is to keep people housed and
prevent homelessness. As you heard at the public hearing there is a strong
correlation between youth homelessness and homelessness as an adult. It is a very
cost-effective strategy to invest in our youth and prevent any experience in
homelessness. I believe it is our duty to protect our most vulnerable community
members and youth are among that group. Support of HB 3970 is support for proven
cost-effective strategies in homelessness prevention. Please support HB 3970.

Sincerely,

Kim McCarty
Executive Director
Community Alliance of Tenants
