On Behalf Of: Belinda DeAragon  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: HB3054

My name is Belinda and I am a senior citizen residing in a 55+ Manufactured Home Park located in Lebanon, Oregon/ LINN COUNTY.

My interest in this letter is to point out how many people are involved and how many people need this legislative bill to pass

I know that you're familiar with our case because of how many other people are trying to get the recognition that we deserve to get this bill passed.

On a personal note, my struggles involve my health and finances, and are very much effected by what's going on and the outcome.

Please help pass HB3054!
